It should be mentioned that our judges were very impressed by the high artistic quality demonstrated by each and every contestant this year, and it was no easy task to narrow our selection down to only 15 soloists.

Even if you were not among the 15 musicians listed above, we hope that you can take pride in the hard work it took to prepare for this competition. We warmly invite you to compete again next year. In fact, you can begin practicing now! Just be sure not to select any of the concertos listed above as we avoid programming the same music two years in a row.

Once again, thank you for participating in our 2017 competitions and for spreading the joyful art of music making.

Best regards,

*Eman Isadiar*
