

SCHOOL MUSIC DIRECTOR NOTIFICATION FORM

Dear Students, Parents, and School Music Teachers,

As we prepare for Golden State Youth Orchestra's upcoming season, please take note of GSYO's policy with regard to students' participation and support of school music programs.

All GSYO musicians are encouraged to take part in their school music program. GSYO strongly supports school music programs, and will always excuse GSYO musicians for mandatory school music performances.

We ask that all GSYO members provide notice to their school music director of their intent to play with a GSYO ensemble for the upcoming season.

Students/Parents: Please scan and email this form to deepika@gsymusic.org OR return the paper copy to the GSYO Office upon completion, no later than September 15.
